ATTORNEY CLAUDE KRAWCZYK HONORED FOR COMMUNITY SERVICE

In addition to practicing real estate, banking and transactional law for more than 27 years with O'Neil, Cannon, Hollman, DeJong and Laing, Claude Krawczyk has also volunteered hundreds of hours each year to various community organizations and efforts. Over the past several years, Claude has led two successful community projects, the restoration of the Kosciuszko monument on 9th and Lincoln in Milwaukee and the purchase, improvement and move by the Milwaukee Christian Center to a new building at 14th and National in Milwaukee. Claude is now being honored by two different organizations for his work on both of these projects. On September 23, 2013, the South Side Business Club will name Claude its "Person of the Year" and on November 3, 2013, Claude will be honored by the Polish American Congress-Wisconsin, which has named Claude the 2013 recipient of the Congressman Clement J. Zablocki Civic Achievement Award.

Congratulations Claude!
