

EMPLOYMENT LAWSCENE ALERT: ACTION REQUIRED BY AUGUST 31, 2020 FOR CERTAIN RETIREMENT-RELATED CARES ACT RELIEF

An August 31, 2020 deadline applies both to individual retirement account participants who want to repay a required minimum distribution received in 2020 and to employer plan sponsors who wish to reduce or suspend certain 401(k) or 403(b) safe harbor employer contributions. Details on each of these special tax relief provisions are summarized below.

Employers and individuals who wish to avail themselves of these special tax relief provisions should take prompt action.

Deadline for Repayment of Certain Waived 2020 Required Minimum Distributions

As we've described [previously](#), tax law generally requires a 401(k), 403(b), or 457(b) retirement plan participant, or IRA owner, to take required minimum distributions (RMDs) annually once the owner reaches age 72 (or 70 ½ under the SECURE Act).

In late March 2020, the CARES Act waived the requirement to take an RMD from a retirement plan or IRA in 2020. For retirement account owners who had already taken 2020 RMDs and did not need them, the CARES Act provided a way to return them. Although RMDs are not usually eligible for rollover treatment, the CARES Act repayment mechanism is to treat the waived RMDs as if they are distributions eligible for rollover. Instead of actually rolling the amount over to a different plan, however, the CARES Act permits a 2020 waived RMD amount to be repaid only to the same account that paid it out. Any repayment, as described in the CARES Act, was required to take place within the standard 60-day window for making a rollover from one tax-favored account into another.

Because the CARES Act was passed in late March, the 60-day repayment period had by then already expired for those who had taken an RMD in early January 2020. The more recent IRS Notice 2020-51 extends the 60-day window period, so that any waived RMDs received on or after January 1, 2020 may now be repaid, provided that such repayment occurs by August 31, 2020.

Employer plan sponsors may also wish to review whether their plan document should be amended by the deadline to accept RMD repayments if their participant population desires to

repay previously-distributed 2020 RMDs to the plan.

Employer Deadline to Reduce or Suspend 401(k) or 403(b) Safe Harbor Contributions

In a separate announcement, Notice 2020-52, the IRS has provided special relief to employer plan sponsors of 401(k) and 403(b) retirement plans who wish to make a mid-year reduction or suspension of safe harbor nonelective employer contributions. The ability to take such action expires on August 31, 2020 and should be properly documented as of that date.

Background

More and more employer sponsors of workplace retirement plans, in recent years, have chosen to adopt a “safe harbor” employer contribution feature. The key advantage of safe harbor status for a tax-qualified retirement plan is that the plan is deemed to treat highly and non-highly compensated employees fairly, with respect to one another. It is therefore exempt from the otherwise applicable annual nondiscrimination testing.

In exchange for safe harbor status and the perk of avoiding complex and sometimes costly nondiscrimination testing, a safe harbor plan must meet certain requirements, including committing to provide a minimum employer contribution or formula, immediate vesting of the contributions, and the provision of an informational notice regarding the contributions before the beginning of the plan year (a safe harbor notice).

The Safe Harbor 12-Month Rule

Typically, once a safe harbor provision is adopted for a retirement plan, it must be in effect for all 12 months of the plan year. This requirement is intended to prevent employers from avoiding nondiscrimination testing if they do not honor the corresponding requirement to contribute to the plan for the benefit of participants.

Generally, there are two exceptions to the 12-month rule that permit a mid-year suspension or reduction of the safe harbor contribution:

1. The first applies if the employer is operating at an economic loss for the plan year.
2. The second applies if the safe harbor notice explicitly reserves to the employer the right to amend, reduce, or suspend the safe harbor contribution during the year.

Under either exception, an additional notice of amendment, reduction, or suspension must be provided to all participants at least 30 days in advance of the effective date of such action. As a result of any mid-year change to a safe harbor contribution, a plan is required to pass nondiscrimination testing in lieu of relying on the safe harbor testing exemption for the year.

Temporary Relief Related to Mid-Year Safe Harbor Nonelective Contribution Changes and Notices

IRS Notice 2020-52 provides special relief under which employers may make a prospective mid-year suspension or reduction of safe harbor nonelective contributions to 401(k) and 403(b) plans after March 13, 2020, for the balance of the year, regardless of whether the employer has satisfied either the requirement of incurring an economic loss or of previously providing a safe harbor notice reserving the right to change contributions.

Additionally, for safe harbor nonelective contribution plans, rather than providing the revised safe harbor notice at least 30 days before the effective date of the suspension or reduction, the notice must be provided by August 31, 2020.

This relief is time-limited, however. To take advantage of these special rules, a plan amendment suspending or reducing the safe harbor contribution must be adopted by August 31, 2020.

Note that the relief provided in IRS Notice 2020-52 does not apply to a mid-year reduction of 401(k) safe harbor *matching* contributions. This is because of the IRS's view that matching contribution levels as communicated to employees directly affect employee decisions regarding elective contributions and should therefore not be changed.

Note also that this article does not address the implications of certain SECURE Act changes to the safe harbor notice requirement, of the impact of IRS Notice 2020-52 thereon.

Conclusion

The temporary relief provided in IRS Notices 2020-51 and 2020-52 will respectively assist individual taxpayers seeking to avoid taking RMDs in 2020, and employer plan sponsors seeking 2020 cost reductions. In either case, action to take advantage of the relief must be taken by August 31, 2020.
