MARSH ELECTRONICS

Representing the marketplace interests for over 30 years.

A closely held distributor of electronic componentry, Marsh Electronics is the kind of Wisconsin-based firm that the entire state can be proud of. A successful, mid-size employer, and a regional leader in distributing a wide range of electronic components and solutions throughout the North Central United States.

Although founded in 1937, O'Neil, Cannon, Hollman, DeJong and Laing came on board back in the 1980's. In that time, the company was acquired by a larger National firm, then purchased back by the current management team. O'Neil was present at both transactions ensuring a smooth transition. Likewise, our firm has been involved in virtually every aspect of their business — from employment, contract, human resources, and more.

President John Casper has valued our relationship so much that our President, Jim DeJong, was asked to be a member of Marsh Electronics' Board of Advisors.
