OCHDL SUPPORTS LOCAL TEENAGER IN FIGHT AGAINST THE PANDEMIC

We are incredibly proud to financially support local Port Washington hero, 16-year-old William "Billy" Schowalter, as he works diligently to create plastic face shields for medical professionals, local police, and other service providers that work with the public. Billy, a son of an OCHDL employee, is using his 3D printer to make personal protective equipment and headpieces to help those on the front lines in the fight against COVID-19. Click here to read more about Billy's story and to be reminded that we are all in this together.
