"SUPERVISOR TRAINING: SUCCESSFULLY MANAGING A 21ST CENTURY WORKFORCE" SEMINAR – MAY 15, MAY 22, 2009

The Illinois Chamber of Commerce and the law firm of O'Neil Cannon have developed an all-day seminar to educate and prepare your supervisors for challenges from complying with confusing laws to effectively managing a diverse workforce. Many supervisors have been promoted to their roles with no formal training or experience in supervising. we can educate business leaders on how to manage individuals of wide-ranging abilities, skill sets, personalities and cultures. We can help supervisors develop the skills and tools they need to handle all HR challenges of the job so they can achieve the desired performance from their employees.

This program would be equally valuable for new supervisors and owners or managers who must ensure their supervisors are properly trained.
