TEAM INDUSTRIES

Building strong connections.

"We've become a trusted sounding board and advisor."

-Tom Merkle

Just outside of Kaukauna, Wisconsin lies the North American leader for on-time delivery of high quality pipe fabrication and fabricated vessels. TEAM Industries, Inc. prides itself on "Systemic Quality Control," which ensures its products comply with exacting industry standards, providing a high level of customer value.

Serving the petro-chemical and power industry is a daunting challenge. From the complex bidding process, to fluctuating material costs, to unpredictable timelines and regulatory requirements, successful risk management is critical to a positive outcome. That's where O'Neil, Cannon, Hollman, DeJong and Laing can help. Our 40 years of business-to-business experience allows us to provide advice and counsel as a foundation for sound decision making, and assertive representation in the event of litigation. The trust earned over the years has even placed one of our seasoned attorneys, Tom Merkle, on TEAM's Advisory Board.

In the pipe fabrication business, problems and solutions are sometimes miles apart. When everything's on the line, you need a law firm that knows your business, understands your objectives, and fights to protect your interests.

We can be a valuable player on your team.
