Geron is a member of O'Neil Cannon's Litigation Practice Group. He enjoys helping clients navigate challenging legal issues through careful analysis, practical problem-solving, and effective advocacy. His background includes experience in appellate law, legal research and writing, public policy, and client service, giving him a well-rounded perspective when approaching complex matters. Before entering the legal profession, he served as a graduate teaching assistant and was a Division I student-athlete and team captain, experiences that strengthened his communication, leadership, and teamwork skills. He values building strong client relationships and helping individuals and businesses address legal challenges with confidence and clarity.
